OUR SPACES

COURTYARD

If Roma Restaurant is just that little too big for your event, or you're after for a more flexible dining space our fully enclosed courtyard is exactly what you are looking for!

Located directly next to the restaurant, separated by large glass doors, Roma Courtyard has a capacity of approximately 50 guests and is comprised of two large circular tables, a long feature terrazzo table, two smaller terrazzo tables and a series of oak square tables that can easily be joined together to accommodate long tables.

If the weather is a little cool and wet, no problem, Roma Courtyard is fully enclosed and has heating and cooling provisions.

If the weather is bright and balmy, then that's perfect, we open the courtyard blinds and allow you to enjoy beautiful alfresco dining that is synonymous with Roma.
